## Vango Tall Annex Air Elements ProShield, Size Annex, 2025

# £260

### Description

Expand your caravan awning with the Elements ProShield Tall annex, attached simply by removing the side door on the awning and zipping the annex into place.

The premium Midnight Bedroom makes for a better night's sleep that won't be interrupted by the rising sun.

A single AirBeam® structure and matching Elements ProShield Fabric ensure an easy pitch and a luxurious feel.

### Features Include

- Single Beam Structure - Quick and easy to assemble with only one beam to inflate, which also ensures a light and compact pack size

Elements ProShield - Robust, durable and waterproof. 300D fabric with an HH rating of 6,000mm. Benefits from ColourLok™ technology to aid colour retention

PVC Mud Strip - Positioned around base of awning for easy cleaning

Ventilation System - Vents to increase air flow and significantly reduce condensation

Steel Rock Pegs Included - Pegs are strong, durable and can be used on more challenging terrain. Supplied with a handy carry bag

Adjustable Pegging Points - Allows awning to be pitched perfectly on uneven surfaces

Reflective Webbing Straps - Additional stability for your awning in strong winds. Simply clip onto the pre-attached buckles and peg into the ground to secure. The reflective straps pick up torchlight so the pegging points are easily spotted in low light conditions

Easy Pack Carry Bag - Oversized carry bag to make it easier to pack the awning away

- Midnight Bedroom - Premium darkened fabric used in the bedroom for a great comfortable night's sleep
