Description

A stylish, unique design with no detail spared, the Vango Tuscany Air 500 allows you to enjoy expansive views with the large Diamond Pro windows and multi-zip privacy curtains, offering a light and bright awning while angled beams maximise interior space.

This awning features Vango's Elements ProShield fabric, a weather resistant and highly durable fabric with the added benefit of ColourLok technology to aid colour retention from UV light.

Please contact us to ask about new awning availability and pricing of our Package deal consisting of awning and matching carpet.

Features Include

- **Elements ProShield** - Extremely robust and durable, Elements ProShield is ideal for touring awnings. This high quality, weather-resistant fabric features ColourLok™ technology to aid colour retention
- Extra Large Living Space - The Tuscany shape provides plenty of space to relax and unwind
- Diamond Pro Windows - 67% thicker than our Diamond Clear windows, they provide additional insulation and clearer views
- Vista Front Windows - Floods the living area with light and provides a great viewing gallery
- Two Carry Bags - For easier storage, transport and packing we have split this awning into two bags, one for the main structure of the awning and one for all the included extras such as Draught Skirt, Wheel Arch Covers, Pegs, Pump, Storm Straps, Bracer Beams
- Multi-Privacy Zip Curtains - Simple and easy to use, creating soft lines and various options of opening
- Split Access Door - The 60/40 split of the side door allows you to roll a section away for quick entry. This door also features a secondary mesh door for added ventilation
- SkyTrack® II - A flexible hanging system which allows you to easily attach lighting, storage or SkyLiners. The SkyTrack system allows you to customise your awning to suit your needs
- Supplied with Pack of 10 Sky Hooks - Simply slide on to the SkyTrack® System to hang storage or lights
- Easy Access Doors - A flat entry access door creates easy access for wheelchairs, prams and people with reduced mobility
- Flexi Door - Adjust to be fully or half open, or completely removed for maximum flexibility whatever the weather
- Reflective Webbing Straps - Additional stability for your awning in strong winds. Simply clip onto the pre-attached buckles and peg into the ground to secure. The reflective straps pick up torchlight so the pegging points are easily spotted in low light conditions
- AirBeam® Pump - The ergonomically designed pump allows you to effortlessly inflate your AirBeam® product. Comes complete with a pressure dial and handy carry bag
- Fully Wind & Rain Tested - Tested with wind and heavy rainfall to the European standard EN5912
- Steel Rock Pegs Included - Pegs are strong, durable and can be used on more challenging terrain. Supplied with a handy carry

bag

PVC Mud Strip - Positioned around base of awning for easy cleaning

Bracer Beams Included - Small AirBeams® secured in between main AirBeam® structure for enhanced stability

Adjustable Pegging Points - Allows awning to be pitched perfectly on uneven surfaces

Inflatable AirBeam® Structure - With 10 years' experience in AirBeam® technology, we are the leaders in pole free pitching.

AirBeam® technology ensures your awning is erect within a matter of minutes (supplied with AirBeam® pump)

SuperBeams™ - Larger diameter beams providing additional structure and stability to the awning

Vango Draught Seal System - Patented Draught Seal System creates a tight seal between the awning and your caravan, ensuring no draughts come into your awning.

Touring Awning – This awning is designed for touring use; it is not designed for static or long-term seasonal pitching as extensive exposure to UV light will cause accelerated fabric degradation. UV degradation is not covered under the warranty. However, under normal holiday use your awning will give long service

SkyLiners Included - Reduces the effects of condensation and provides a thermal barrier in cold weather

Draught Skirt & Two Wheel Arch Covers Included - Reduce draughts from coming in under the caravan into the awning

Optional Items also available - please ask for details:

Tall Annex - Perfect for extra storage or clip in the included bedroom for an added sleeping area
